

2020-2021
NC FLL
HOST SITE PACKET

Thank you for being interested in learning more about becoming a Host Site for FIRST LEGO League!

Dr. Kory Bennett
North Carolina Program Delivery Partner

Dear Prospective Tournament Host,

My name is Dr. Kory Bennett, and I serve as the Program Delivery Partner for North Carolina *FIRST*[®] LEGO[®] League (NC FLL). I am the Director of Robotics Outreach at the North Carolina Agricultural and Technical State University (N.C. A&T), which is the Partner with For Inspiration and Recognition of Science and Technology (*FIRST* - www.firstinspires.org). N.C. A&T serves as host to this outreach initiative in science, technology, engineering and math (STEM) education targeting 4th – 8th grade students.

FIRST[®] LEGO[®] League is the most accessible, guided, global robotics competition, helping students and teachers to build a better future together. The program is built around theme-based Challenges to engage children ages 9 to 14 in research, problem solving, coding, and engineering. The foundation of the program is the *FIRST*[®] Core Values, which emphasize teamwork, discovery, and innovation. Students emerge more confident, excited, and equipped with the skills they need in a changing workforce. *FIRST* LEGO League is an alliance between *FIRST* and the LEGO[®] Group.

The mission of *FIRST*[®] is to inspire young people to be science and technology leaders and innovators, by engaging them in exciting mentor-based programs that build science, engineering, and technology skills, that inspire innovation, and that foster well-rounded life capabilities including self-confidence, communication, and leadership.

It takes a number of people and organizations to properly facilitate and manage FLL Tournaments in North Carolina. A statewide effort is required to allow as many teams as possible to compete in *FIRST*[®] sanctioned events. The 2020-2021 season will be composed of approximately 16 qualifier tournaments (November - December 2020) and two State Championships in January 2021. The qualifiers will be dispersed throughout the state to allow teams to compete as close as possible to their homes.

Below, you will find a detailed description of the responsibilities associated with hosting a FLL event. **Please read the packet carefully and feel free to ask as many questions as needed to get a clear understanding of the responsibilities. All questions and/or concerns in regards to hosting a NC FLL qualifying event must be submitted in a single document via email to firstrob@ncat.edu and legoplanner@sp3.us.** This will allow us to answer your questions more efficiently and effectively than through multiple emails. We will be happy to meet with you and your group, if needed.

Once you have a clear idea of what is necessary to host a Qualifying Tournament and you intend to commit to being a Tournament Host for your area, please complete and sign the NC FLL Tournament Host Application. All applications must be signed by an authorized representative of your organization. Please indicate the location at which you intend to host the tournament. **Please forward the application by March 31st, 2020 via email to**

Dr. Kory Bennett: firstrob@ncat.edu

Shayla Sharpe: legoplanner@sp3.us

Once received, all applications will be reviewed and responders will be contacted via email regarding the decline or acceptance of their tournament location. Selected host sites will be required to meet with the NC FLL Event Manager prior to the tournament date to review the host packet and conduct a site visit (if necessary).

I appreciate your time and hope to hear from you soon. Please let me know if you have any questions.

Sincerely,

Dr. Kory Bennett

NC FLL Program Delivery Partner

HOST SITE RESPONSIBILITIES

The Tournament Host serves as the venue liaison, sharing the responsibilities of facilitating a Qualifying Tournament with the NC FLL Partner, State Event Manager and Tournament Director.

Each Tournament Host will be responsible for the following:

- Securing a tournament site
- Providing resources and facility personnel as listed below
- Providing Concession Stand for Participants and Spectators (if accessible)
- Providing Catering for all tournament Volunteers
- Sharing in the financial obligations required to facilitate a Tournament

As a Tournament Host, you have an opportunity to showcase area specific activities or special institutional events at your Qualifier Tournament.

I. Site Selection

Note: The NC FLL Partner must approve all sites and dates prior to final reservation to ensure that ample space and resources are available to properly facilitate the tournament.

A. Dates

- There will be no more than 3 tournaments per weekend.
- The State Championship will be held in January 2021.

B. Location Selection

Approximately 16 state-wide NC FLL Qualifying Tournaments are planned. The hope is to provide adequate coverage throughout the state that reflects the density of teams by hosting tournaments in the eastern, triad and western part of the state.

Each tournament will consist of 12 - 36 teams (no more than 360 student participants), with a total estimated attendance of 500 - 1000 people (including volunteers and spectators). All sites should be secured for:

- Set-up on the DAY BEFORE Tournament Day from at least 6:00 pm – 9:00 pm.
- Tournament Day from 6:00 am – 8:00 pm
- Space/Resources/Power Requirements

Note: General placement instructions of the required resources will be communicated to the Tournament Host by the NC FLL Event Manager, Sharpe Pursuits, Inc. If required, a site visit will take place prior to the tournament to complete a walk-through of all facilities.

C. Parking

There should be ample parking in front of or near the entrance of the Tournament site. Parking should be available for at least 150 -200 cars. Parking for buses should also be considered.

D. Cancellation

At least 12 teams must be registered in order for the tournament to take place. Registration will be monitored in the weeks leading up to the event date. **If the required minimum number of teams is not met within two weeks of the event date, the tournament may be cancelled.** The NC FLL Event Manager will work with teams to locate an alternate tournament to attend.

II. Resources and Facility Personnel

Note: The NC FLL Partner will assist with general signage inside and outside the facility.

A. Registration Area

A lobby space must exist near the entrance where participants and spectators will enter the facility. This area will be used for team/volunteer check-in and an information table. The area should be large enough to accommodate all required resources and ample space for walking traffic.

Resources:

- 3 tables (6 ft or 8 ft)
- 4 chairs

B. Pit Area

A multi-purpose area (i.e. cafeteria, etc...) large enough to accommodate 12-36 six-foot tables (depending on number of teams) with ample space in between for walking traffic and chairs must be available. This area should be in close vicinity to competition area. This area will be used as a 'home base' for the participating teams, practice tables, and Pit Administration.

Resources:

- 13-37 six-foot tables or cafeteria tables (1 per team, 1 pit admin table)
- 52 – 149 chairs (4 per team table, 1 per practice table, 2 pit admin)

Note: Each team requires access to at least one power outlet no less than 25 feet from their pit table. Teams will be asked to bring their own extension cords and/or power strips to access these outlets. Host or Facility is required to provide tape to secure all extension cords to avoid trip hazards.

C. Judging Rooms

3-9 small rooms (classroom, conference room or comparable space) will be required to facilitate the Judging portion of the tournament. These rooms should be in close vicinity to one another, and be no longer than a 3-5 minute walk from the Pit area.

Resources: 1 table, 2 chairs and 2 power outlets per room

D. Competition Area

Standard Gymnasium (preferred) or open space of comparable size with spectator seating for 150 - 750 people. This area will be used for a majority of the competition (meetings, ceremonies and robot performance runs. Spectators must be able to view the event with minimum obstruction. Hence, **stadium seating is ideal.**

Note: Keeping the Competition and Pit Area in the same space is ideal. However, if your site does not lend itself to this particular set up, the areas can be located in two separate rooms, such as a gymnasium and cafeteria.

Required Resources:

- 2 - 6 FLL Fields
- four 6-ft or 8-ft tables
- 8 chairs
- Projector and screen
- American flag
- Stadium Style Spectator seating
- 2 laptops
- Power Requirements for score clock, sound system, and projector
- Score clock
- Sound system with wireless microphone and auxiliary cord

Note: If the area does not have stadium style/bleacher seating, the Host Site and NC FLL Event Manager will work together to explore ways to create an acceptable viewing setup.

Note: If using a computerized score clock, a separate projection screen or television must be used to display the clock.

Note: Host Sites are responsible for providing the FLL Competition tables.

E. Volunteer Hospitality Room

The hospitality room should accommodate approximately 24 - 72 volunteers at a time, and be equipped with enough tables and chairs for volunteer seating and a buffet area for catering service.

F. Facility Personnel

Each site should provide the following personnel:

- **Facility Manager** for assistance with building access, resources, and set-up.
- **Set-up/Clean-Up Crew** for assistance with setting up the tournament resources as listed in section II.
- **Housekeeping** on-site during event to maintain all occupied areas and restrooms and to provide basic housekeeping services at the conclusion of the event.
- **Security** for general safety and concessions area.
- **Audio/Visual Technician** to provide technical support for use of the sound/projection equipment.
- **First-Aid** person with experience/training in first aid must be available with a first-aid kit at all times.

Note: If a facility does not provide one or more of the personnel listed below, the Tournament Host is required to designate individuals to complete each task.

III. Concession Stand & Volunteer Catering

The concession stand should be in close proximity to the competition area to service teams and spectators from 8:00 am – 5:00 pm on Tournament day. Traditional concessions should be available at affordable prices and include healthy options. The final concessions menu is up to the concession vendor. Vendors often have box lunch options for team lunches (*to be offered for purchase* to teams).

Catering (breakfast and lunch) must be provided for all Tournament Personnel and Volunteers (approximately 24 - 72 people based on event size). The Tournament Host may choose the menu for each meal with a minimum requirement of a continental breakfast, and pizza or box lunch for the lunch menu.

IV. Volunteers

Tournament Hosts are welcome to recruit volunteers to assist in facilitating various areas of the tournament. **All volunteers MUST register at**

- <https://www.firstinspires.org/ways-to-help/volunteer>

To learn more about available volunteer opportunities, please visit:

- <https://www.firstinspires.org/ways-to-help/volunteer/event-volunteers>

V. Financial Responsibility

Tournament Hosts are responsible for the tournament related costs as listed below:

- Tournament Facility fee and applicable Personnel
- Resources, Set-up, Clean-Up
- Catering for Volunteers, Competition Area Personnel and Judges (See Section VI)
- Basic supplies – first-aid kit, rubber gloves, etc.

Note: In the event that the Facility does not provide the resources/set-up and clean up services listed under 'Space/Resource/Power Requirements', the Tournament Host is responsible for all costs and labor associated with providing these resources/services

VI. Financial Assistance

The NC FLL Partner has agreed to provide financial assistance to all NC FLL hosts for the 2020 - 2021 season in the form of **reimbursement** of funds up to \$500 with regards to **Catering, Space Rental (for hosts who come out of pocket on rental fees), Facilities, and Security.**

Note: This assistance is not guaranteed for every season. A decision for the following season will be made at the end of the current season.

A. Reimbursement Procedure

In order to receive funding assistance, the following 3 steps must be followed

Step 1: Host Sites pay for goods and/or services in full.

Step 2: Submit PAID invoices (original receipts) via email to firstrob@ncat.edu and legoplanner@sp3.us along with a completed IRS Form W9 (including street address) for the paying entity. **These invoices must be submitted within 2-weeks after the tournament.**

Step 3: The NC FLL Partner will process reimbursement checks to the paying entity. Please allow 3-4 weeks for processing.

If you have any questions, please contact NC FLL Event Manager, Shayla Sharpe, via email at legoplanner@sp3.us.

NC FLL PARTNER RESPONSIBILITIES

As previously stated, Tournament Hosts are required to share in the duties and costs associated with facilitating a NC FLL Qualifier Tournament. The NC FLL Partner will work in partnership with all Tournament Hosts and be responsible for the following:

I. Tournament Director/Management, Personnel and Training

- Coordinate directly with Tournament Host regarding planning and execution of the Tournament.
- Provide an Event Manager, Tournament Director, Judges and Referees to ensure efficient management of tournament and the Judging process
- Participate in at least one site visit (if necessary) to assess facility set-up and layout
- Provide training materials and facilitate training calls for team volunteers, judges and referees
- Provide assistance with on-site set-up, event day volunteer training, tournament management, and pick up of all standard materials and team qualification information at the conclusion of the tournament

II. Team Communication

- Advertise tournament to all teams registered with *FIRST*
- Facilitate registration for all teams and obtain all required *FIRST* consent forms
- Coordinate team volunteers to assist with the tournament day management
- Provide teams with tournament information packet

III. Provide Standard Tournament Materials

- Name Tags and T-shirts for referees, volunteers and Judges
- Current season Field Kits and Mats for all Competition Fields
- Registration, Referee and Judging materials
- Trophies and/or applicable Awards
- Outdoor/Indoor signage

Note: All materials will be transported to the site by the Event Manager on the evening before each tournament.

No.	Initial	Item				
1		Tournament hosting takes a committed group of people that will be available for planning through execution (August - December 2020).				
2		Select and secure a suitable tournament site – the venue must be reserved the DAY BEFORE the tournament from 6:00 pm – 9:00 pm and Tournament Day from 6:00 am – 8:00 pm.				
3		Tournament Hosts are aware that facilities needed for a tournament are based on the number of teams and will include: <ul style="list-style-type: none"> • Parking in close proximity to facility (per document requirements) • Registration Area near main entrance to facility with space for walk-through traffic • Pit Area • Judging rooms • Hospitality room • Competition Area preferably with stadium style seating 				
4		Tournament Hosts understand that venue selection could result in extra fees without careful planning. Some venues may charge rental fees, facility management fees, require insurance or security fees. Venues should be selected that do not charge these fees or the Tournament Host should be prepared to cover these costs.				
5		Tournament Hosts are responsible for providing breakfast and lunch for approximately 35 volunteers.				
6		Host site team(s) are permitted to participate at their own tournaments, however, hosting does <u>not</u> provide automatic advancement to the State Championship. Host site teams are required to officially register for the tournament. The NC FLL Partner will waive the qualifier registration fee for ONE (1) Host Site team.				
7		Tournament Hosts understand that the NC FLL Partner and Hosts are responsible for providing different aspects of tournament equipment and supplies: <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: left;">NC Partner Responsibilities:</th> <th></th> </tr> </thead> <tbody> <tr> <td style="vertical-align: top;"> <ul style="list-style-type: none"> • Tournament Director • Judge Advisor • Head Referee • Volunteer training • Advertising • Team registration information • Registration materials </td> <td style="vertical-align: top;"> <ul style="list-style-type: none"> • Certificates • Referee shirts • Judge/Volunteer t-shirts • Referee materials • Judging and scoring software • Indoor signage • Outdoor Directional Signage </td> </tr> </tbody> </table>	NC Partner Responsibilities:		<ul style="list-style-type: none"> • Tournament Director • Judge Advisor • Head Referee • Volunteer training • Advertising • Team registration information • Registration materials 	<ul style="list-style-type: none"> • Certificates • Referee shirts • Judge/Volunteer t-shirts • Referee materials • Judging and scoring software • Indoor signage • Outdoor Directional Signage
