

# Making the Ultimate Portfolio for FTC in NC

“Learn to Keep the Judges Happy!”

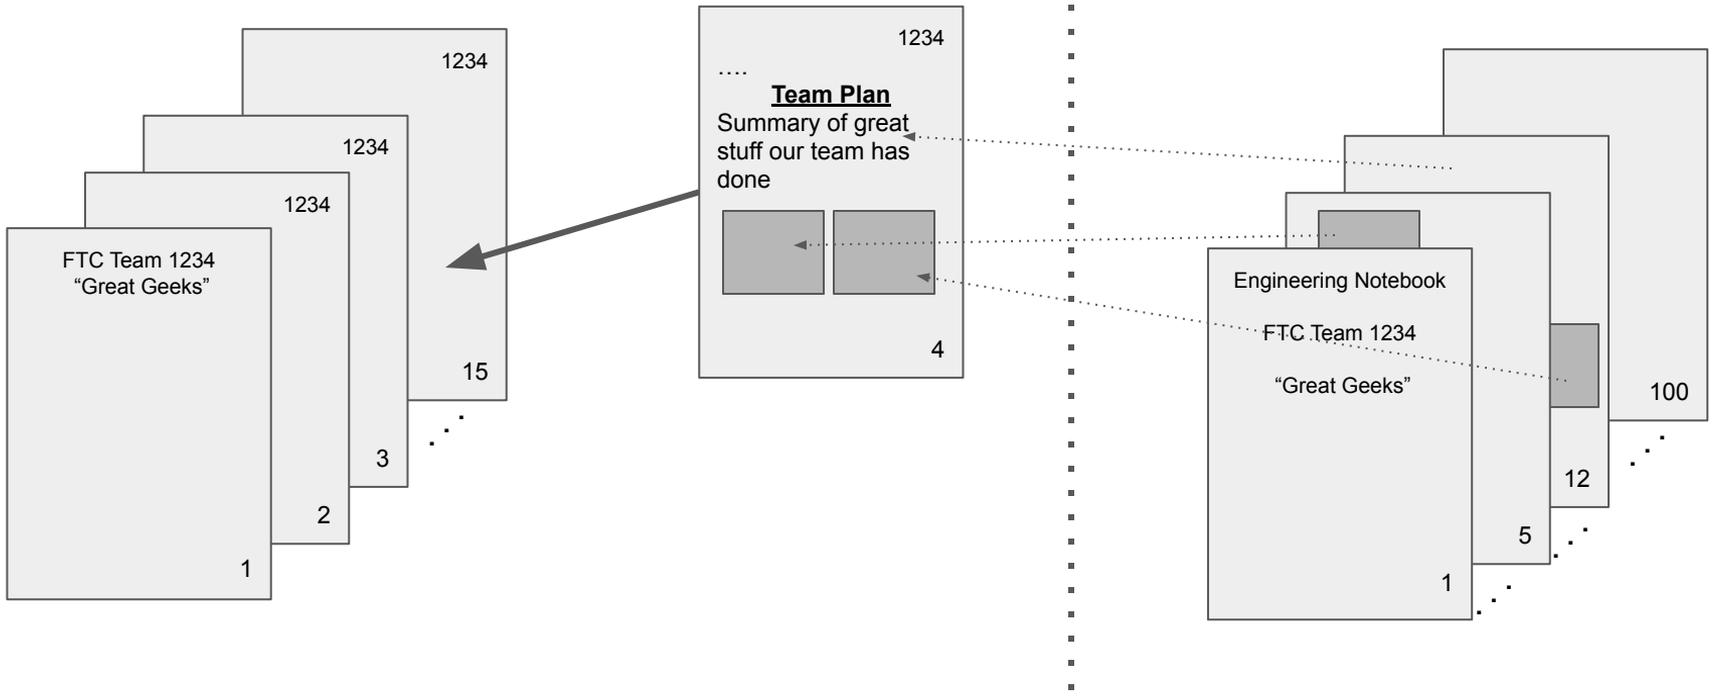

## What will make Fiona happy

- ✓ Team Name and Number on the front
- ✓ Number on top right hand corner of all pages
- ✓ Read the guidelines in the [Game Manual Part 1](#) thoroughly and follow them as carefully as you can
- ✓ Summarize some of your notebook - outreach, team plan, etc
  - Summarize briefly, then highlight best aspect e.g. list of outreaches with statistics plus description of best with photo
- ✓ Include the best parts of your notebook - diagrams, math, programming, etc.
- ✓ Things that make judges excited to see more detail and the ability to upload that part of the notebook when asked.

## Making Fiona cry (and losing points in the process)

- ✗ No name or number on portfolio
- ✗ File size too large to easily upload
- ✗ Huge blocks of text in tiny font
  - a. Remember the judges should be able to digest the portfolio in a brief amount of time
  - b. Good practice for future hard copy portfolios - recommended font 10-12 point
- ✗ Descriptions of amazing technical accomplishments with no accompanying diagrams and math.
- ✗ An excellent Control submission with no programming in the portfolio (required but can be brief)
- ✗ Gramer an spelin mistakes. Pleze proofreed wel.
